LEAGUE OF WOMEN VOTERS OF EL PASO

The League of Women Voters is a non-partisan organization that includes both men and women, supporting issues, but not candidates and parties. The League does not support any political party or candidate, but can and does take positions on issues after study and consensus by its members. We are particularly concerned about government, citizen participation, and areas of concern relating to social and health matters, education, the environment, and international affairs. Our members pay dues, but the largest portion of that income goes to finance the Texas and National programs where in-depth studies are made of problem areas in our country, making recommendations for improvements, and providing advocacy in support of such proposed plans. Membership in the League is open to anyone 18 years of age or older.

Our local league presents candidates' forums before elections, distributes non-partisan Voters Guides of Texas state political candidates and constitutional amendments, hosts an online voters guide www.vote411.org, and assists with voter registration. We help present environmental seminars and are a member of the Franklin Mountains Wilderness Coalition. Annually, we present a BRAVO Award in recognition of singular community service given by El Pasoans.

Our open meetings are held monthly September through November, and January through April. Our meetings are announced on our website, including location and time. Meetings cover a wide variety of information on civic matters, social concerns, international events, the environment, education, health, and political issues. Our membership is open to all, and we welcome all interested people. For more information, visit our web site: <http://www.lwvep.org>

Corrections and updates to this directory should be emailed to deo@lwvep.org and will be posted on our web site.
